

## Suntanned sweeties Kitten Mittens

Gradual Self Tanning Gloves allow you to shine a sun-kissed goddess without getting your hands

dirty. These innovative tanning gloves deliver a streak free, natural long lasting sweet smelling tropical tan in just under hours. It's the easiest tanning delivery system you'll have ever used and you'll be finished before you know it - no mess, no fuss. Kitten Mittens are also the perfect travelling companion for island hopping glamour's and girls on the go!

### Directions:

Remove glove from sachet and slide onto hand. Start your tan on the upper areas of the body (decolletage, arms and stomach areas). Rotate glove so the unused side is ready for use and apply to legs, finishing with feet and feet when towel is almost dry. Apply tan in a circular motion to ensure even coverage. Use sparingly on ankles, knees and elbows. Finally, wash hands thoroughly with soap and water, dry hands and then wipe glove over the back of the hands. Dispose of glove thoughtfully. Tan develops in under 4 hours.
